## ***Environmental Policy Statement 2017***

---

*RW Projects South West Ltd is committed to leading the industry in minimising the impact of its activities on the environment.*

*The key points of our strategy to achieve this are:*

- *Minimise waste by evaluating operations and ensuring they are efficient as possible.*
- *Minimise toxic emissions through the selection and use of its fleet and the source of its power requirement.*
- *Actively promote recycling both internally and amongst our customers and suppliers.*
- *Source and promote a product range to minimise the environmental impact of both production and distribution.*
- *Meet or exceed all the environment legislation that relates to the Company.*
- *Use an accredited program to offset the greenhouse gas emissions generated by our activities.*
